Drop-In Care:

All drop-in children/families need to be enrolled in BASE to use BASE.

24 hour notice is preferred for Drop-ins.

Drop-in’s are on a space available basis. Please contact the BASE director directly to request drop-in care and ensure that you receive confirmation from the BASE director that there is an available spot at BASE on the day(s) you need care.

Please be sure to additionally notify your child’s teacher to make them aware of the change to the child’s regular routine (specifically for after school care).

***Full Day Option (9 student minimum)**

There is a full day option (6:30am – 6:00pm) available on workshop days and various

vacation days throughout the school year.

Parents will need to pack a lunch and a drink (no soda please). Morning and Afternoon snack will be provided.

Pre-registration is required on your monthly calendar. More information on these days will be sent out with the monthly calendars and via e-mail.

There is no drop-in option available for full day BASE.

Payments and Calendars:

It is imperative that parents complete and return payments and calendars on time. This will allow us to have adequate staff and programs for your child/ren.

Parents are required to fill out a BASE payment calendar every month to notify the Director when your child/ren will be attending BASE. These forms will be given to parents in their BASE information folder, as well as e-mailed, the 3rd week of each month. The family folder with payment and calendar needs to be returned to the BASE Director by the 27th of the prior month, for the following month's services. For example, November's calendar and payment is due no later than October 27th. Calendars and payments can be sent in with student and sent to the school office, or brought directly to BASE.

Payment options:

Preferable payment method is online with your TADS account. Calendars are still due the 27th of the month, within the following week, you will receive an e-mail from TADS notifying you that there is a balance due on your account. Additional questions can be answered by Kelly Hendrickson in the school office at 651-437-3098.

OR you can make a check payable to SEAS School and indicate BASE in the memo line, checks are due the 27th of the month along with the calendar.

Parents will receive an e-mail reminder if a BASE calendar has not been received by the 27th of each month. Late calendars (received after the 27th of the month) will be subject to drop-in rates for the following month.

Please listen to the local radio station KDWA-1460 or the school Facebook page for updated information on school closings. **Sessions missed due to such events will not be reimbursed, unless SEAS School makes up the missed school day at a later date.**

Communication with Parents

There will be a monthly information folder that will be sent home with students the 3rd week of each month. This folder will include monthly calendars/payment forms, as well as other important BASE information.

E-mails will also be used as the primary communication from the Director.

Parents can reach the BASE Director at 651-437-3098.

BASE Behavior Management

For safety as well as creating a fun environment, it is important that children follow the school rules while at BASE. It is the program's belief that discipline be handled in a fair and compassionate way.

The BASE program will be following the school discipline policy which is modeled after the works of Jim Fay (Love and Logic.) This model helps students develop mutual respect, cooperation, and responsibility.

If an infraction occurs, the student will receive a verbal warning. If it continues, the student will be removed from the BASE activity until the BASE Staff deems appropriate. If the student behavior continues, the student will be removed from all BASE activities and Plan of Responsible Action form will be completed by the student and BASE Staff.

Certain behaviors that are severe or endanger the safety of the program and other children will result in immediate removal from BASE activities. BASE staff reserves the right to modify this behavior plan to fit the needs of the individual student.

Please see the school student handbook for greater details.
