Still time to REGISTER

To register for the 2017-18 school year, go to our website at www.seas-school.org and find the admission tab on the top of the page. If you need any help please call the main campus at 651-437-3098 ask for Jackie or Sheila.

Want to tour the preschool? Come visit and meet the teachers and see the classrooms. Call Barb Laumeyer, Director of Preschool at the Early Childhood Campus-651-438-3223. or email me at blaumeyer@seas-school.org You can set a time and day that works best in your schedule to come.

Kindergarten Shadowing

Still time to make an appointment for your child to shadow our kindergarten. Sign up on our website at seas-school.org

End of the Year approaching fast, here are some special events coming up especially for you!

Dad's and Donuts: June 1 & 2, Donuts with Dads, short and sweet, from 8:15-8:45 AM. Receive a gift from your child! Invites will be coming home soon!

Last Days: June 6 & 7: Last days of school, come join us for a short program and then stay for lunch picnic style! 11:15-1pm

POLICE OPEN HOUSE

May 16
4-7 PM

Join us for our second annual Police Week celebration. Sibley Street will be closed between 3rd and 4th Street and filled with law enforcement vehicles for kids to explore. Meet some of your local police officers, sheriffs, and other law enforcement. Tour the station and enjoy a barbeque and treats with us.

Mothers, Are you looking for greater connectedness with God and others? Then connect with our Moms Small Faith Group at SEAS this May! Join us as we host a "drop-in" DVD study on relationships. We will meet in the Guardian Angels Room Mondays evenings, May 1, 8, 15, and 22. Refreshments and socialization begin at 6:45 pm with the DVD starting at 7:15. Come to any or all of our gatherings as we get to know one another, share in discussion, and hear what God has to say to us!

Mom's and Muffins:

May 8 & 9, just a quick morning cup of coffee and a muffin with your child.

8:15-8:45AM

Receive you gift from your preschooler!!

Invites went home, please return as soon as possible

Message from Ms. Barb

With lots of discussions and prayers, I have decided that this would be my last year here at SEAS Preschool. I am going to retire! It is bittersweet for me as I love the children, my position, and all of the staff. It has been my life for the past 22 years.

I have said many times throughout my years here, that I find the children's joy, contagious, their laughter/giggles are infectious and their affection is so gratifying. It is a joy to witness the wonder in their lives. This I will miss tremendously!

I know that change is good, and a new director for preschool may bring on a whole new aspect; new ideas, new faces, and new growth.

I thank you for trusting me with your children through the years. It was always fun to see returning families and how big the children have grown. When I see past students, parents I am always greeted with a "Hi Ms. Barb" I love it. I will never forget all of the children and parents and all of the wonderful words of kindness and support they have given me.

Please continue to stop and say 'hi' to me in the stores, at church and around town. I will miss every aspect of this job, but it is time to move to another job...to be a grandmother to my 15 grandchildren. I can't wait!

Blessings to all of you, have a wonderful summer.

Ms. Barb

DUCKS!!!

Every year the children have the opportunity to have the incredible experience to watch

Mallard duck eggs hatch! We put the duck eggs in the incubator on April 6th, it takes 28 days until we will have any results. Each day we cross off the day and wait anxiously for them to hatch. After they hatch we will keep them for about 1 week only (they grow really fast and are messy). During that week will put them into a pool to watch them swim for the first time. It is always so much fun to see this happen.

Around middle of May I have a family that will take the ducks to their farm until they are mature enough to take flight.

We are only **5 days** left before we start to see them hatch, how exciting!!

Thank you to all of the families who attended conferences, we had 99% show, wow that is great. A big thank you to those who fed the teachers dinner on the two evenings. With just a short break for dinner, it was really nice to have a meal ready for us. Everything tasted wonderful and the cookies and bars gave us just the needed energy to last us through the evening.

Thank you! Thank you! Thank you!!!
