

Mrs. Lillie's 3's Weekly News

February 26-March 1, 2024

Theme: Dental Health Letter: Dd Shape: Diamond

We had a fun week learning about different community helpers and why they are important. To continue our theme about community helpers, this week we will learn about dental health and what happens when you go to the dentist. We will also learn about why it is important to take care of your teeth. Our special visitor that was supposed to come to talk to the preschoolers about going to the dentist has been postponed. She will come and speak the first week in April instead of next week. We will learn about what these people do and how they help our community. During Bible Beginnings we will finish learning about the good Samaritan and we will learn about when Jesus gets baptized. We will also continue to talk about the importance of Lent and the hearts that the preschoolers have turned in.

It should be a great week at preschool!

Registration for the 2024-2025 school year is now open. There is a link on our website. The three year old class is NOT continuously enrolled, you must go on to TADS and enroll so you can pick out what class section you want for next year. Please let me know if you have any questions.

Important Information

***Birthday Celebrations-** Your child may bring in a small treat to have for his/her birthday. We have 11 kids in our class. The treat **MUST** be store bought.

***Special Skill...**

Do you or someone you know have a special job, skill or talent that you would like to talk to the preschoolers about? If so please let me know ASAP and we can set something up.
